About Glass Tec

About Us, Vision & Mission, Table of Contents

About Us :

Since 2006, GlassTec has been providing high-quality glass solutions for commercial and residential projects across Egypt. We rely on precision in execution, modern design, and a strong commitment to the highest quality standards to deliver work that combines durability and aesthetics, leaving a real impact on every project.

Vission & Mission :

We strive to be the most trusted partner in glass solutions in Egypt. Our goal is to deliver safe and practical glass projects that meet our clients' expectations, while building long-term relationships based on trust and professionalism, and keeping up with the latest technologies from the initial concept to final delivery.
